**Subject: Collaboration Proposal for Student Internships.**

Dear Sir,

I hope this letter finds you in good health and high spirits. I am writing to you on behalf of Balaji Law College, with a proposal for collaboration between our esteemed institution with Adv Anoop Awasti and Associates.

Balaji Law College is a renowned institution in India, dedicated to providing quality legal education and fostering practical skills among our students. In line with our commitment to offering comprehensive learning experiences, we are seeking collaborations with you to provide opportunities for internship to students. We are believing that a collaboration between our institutions would be mutually beneficial. By partnering with you, we aim to provide our students with valuable practical exposure to the legal profession and contribute to their professional growth.

The proposed collaboration will provide our students with the opportunity to work alongside experienced professionals, gain practical insights into various areas of law, and develop essential skills required for a successful legal career.

In return, we offer our commitment to providing you with talented and dedicated interns who are eager to learn and contribute to your organization. Our students are well-versed in Indian law and possess a strong academic foundation. They are eager to apply their knowledge and skills in a real-world setting under the guidance of experienced professionals.

We believe that this collaboration will not only benefit our students but also contribute to the growth and development of the legal profession in India. We look forward to discussing the details of this collaboration further and exploring the possibilities of working together.

The duration of collaboration will be 3 yrs. (JULY 2021 To JULY 2024)

Thank you for considering our proposal. We eagerly await your response and the opportunity to discuss this collaboration in more detail.

Yours sincerely  
Dr. Janardhan Rao Killi  
Principal  
Balaji Law College
