Suggestion - \* Economics faculty could provide detailed explanation during lectures, as it is a complex subject.

\* Please arrange co- and extra curricular activities as there are none.

\* Library has no availability of books that are required for syllabus

\* Attendance should be given by Prof. if we come by 8:15 am as the most of the students lives far away. & also the classes are on fourth floor.

\* As for the canteen BCACS & our college's break timings are clashing, there is no place to sit in canteen. & during break.

— Hoping that the suggestions are taken into consideration on a serious note!
